OUR MANY THANKS TO REV. PETER ANDERSON

Peter was a very active Committee Member, we are all indebted to both he and Helen for all the help they gave to the British Association. Peter stayed on the Committee until our last meeting at the end of April. The Committee thanked him in the name of all the members and beneficiaries of the BA. Peter and Helen are enjoying their retirement and the opportunity to spend more time with their family. We still hope that they will be able to attend certain events and we all wish them a very happy retirement

A VERY WARM WELCOME TO THE NEW CHAPLAIN IN CANNES

We extend a very warm welcome to Rev Giles Williams and his wife Chris, we wish them well in their new position in Cannes. They were previously in Woking, Surrey and have also spent several years in Rwanda. We will all help them to settle into the French way of life, and look forward to meeting them either in Church or at our BA events

OUR THOUGHTS FOR BERYL MOORE

Beryl sadly passed away on May 15th, she was part of the British Association Cannes Branch for many years. Delene Stevenson has done a wonderful job in helping her in the later years of her life.

JOHN MISSELDINE'S BOOK

One of our distinguished members has written a book with Oliver Clutton-Block, (to be published in June) entitled "SURVIVAL AGAINST ALL ODDS". It is the story of his participation in The Royal Air Force during the Second World War, he was shot down over France on the 8th June 1942. John's book gives a great insight as to how a young member of The R.A.F. survived throughout his treacherous run from the Gestapo, across occupied France, his contacts with the French Resistance and British Intelligence and then his escape from Gibraltar, after which he was posted to Algeria to support the 8th army. The book is published by Grub Street. John Misseldine : misseldine.john@neuf.fr
